

For Immediate Release:

Century Fasteners Corp. Will Attend Paris Air Show

Company Combines Expanding Portfolio of Aerospace Products with OEM Support Services

Elmhurst, NY, June 14, 2013 - Century Fasteners Corp. (www.CenturyFasteners.com) confirms that it will attend the 50th edition of the **International Paris Air Show** June 17-23 to promote its extensive portfolio of products and services.

Century's expanding portfolio of aerospace products which now includes **Cherry Aerospace** greatly enhances its unique ability to sell deep into the bills of material for OEM's and to support them with flexible inventory management programs.

For more than 100 years, the International Paris Air Show, held at le Bourget Exhibition Center, Paris-le Bourget Airport, France, is the world's oldest and largest aviation show, as well as one of the aerospace industry's major networking events. Open to both professionals and the general public, the event showcases the latest technological innovations in the field, and stimulates great interest in aviation careers. For more information, visit <http://www.Paris-Air-Show.com>.
