Revolutionary Rivet Locator™ Mobile App Introduced by Century Fasteners Corp.

Century Fasteners Corp. Introduces Mobile Application for Sourcing Structural Rivets

Elmhurst, NY, December 14, 2015 - Century Fasteners Corp. has developed **Rivet Locator™**, a mobile app for searching, cross referencing and requesting quotes for [structural rivets](#).

About Century Fasteners Corp.

Century Fasteners Corp. (www.centuryfasteners.com) is a Master Distributor of fastener and nonfastener components to the military, aerospace, electronics, automotive, sheet metal fabrication, contract manufacturing, telecommunications and medical industries. The ISO9001: 2008 and AS9120 Rev. A certified company stocks more than 100,000 discrete parts, and offers a wide variety of value-added services, including VMI in-plant programs, custom kitting, engineering services, and supply chain management solutions. ***Century Fasteners Corp. is an authorized stocking distributor for Cherry® Aerospace.***

About Rivet Locator™

Rivet Locator™ is a mobile application that is the industry's newest and fastest way to find structural rivets. The application allows the user to select from thousands of structural rivets, see all cross reference part numbers and request a quote while using a smartphone or tablet device. Rivet Locator can be downloaded by using a mobile device and going to www.rivetlocator.com.
