Heat Treat Certification

A Certification of Conformance to the applicable heat treat specification is required with shipment. Material received without certification is subject to rejection and return to the supplier at the supplier's expense. The certification shall contain, as a minimum, the following:

- Purchase order number, part number, revision, and serial or lot number(s) of the part(s) covered by the certification;
- Applicable specification including, as applicable: revision, notice, amendment, type, grade, class, method, or other qualifier, as specified on the purchase order; drawing or specification;
- Heat treat lot number;
- Results of physical property testing demonstrating compliance with specification requirements.
- Signature of the Quality Assurance Manager or other responsible member of the supplier's company (a typed name with title on a computer generated document is an acceptable substitute for signature).
- The title of the person signing.

Test specimens will be supplied with the delivered parts as required by the specification or purchase order.
