Ammunition Lot Numbers and Data Cards, WARP System

Ammunition lot numbers and ammunition data cards shall be prepared in accordance with MIL-STD-1168 and DI-MISC-80043 and shall follow the format required by the worldwide web application identified as WARP or Worldwide Ammunition-data Repository Program. Additional details on WARP may be provided as an attachment to the purchase order. Prior to gaining access to WARP, contractor/facility personnel involved in the preparation of ammunition data cards shall obtain a user name and password for the Army Electronic Product Support (AEPS) network.
