

CENTURY FASTENERS CORP. QUALITY TERMS AND CONDITIONS

CLAUSE NUMBER: 01000-SQ-NG T&C-83

rev.000

EFFECTIVE: 05/31/2024

Ammunition Lot Data – Pacific Scientific Only

Every lot of ammunition/explosive loads shipped shall require the submission of data that complies with the requirements of the most current issue of Mil-Std-1168. The supplier shall provide a supplier-generated product data form with each shipment. The product data form must contain applicable data referenced in Dimisc-80043a and Mil-Std-1168. Three copies of the completed product data form are to be submitted with each shipment.
