Guidance: A applies when SQ66 is required on the Customer PO.

- A. A customer First Article Acceptance Test (FAAT) is required in conjunction with this Purchase Order. Northrop Grumman requires that a “pre”-FAAT be conducted at the supplier site before the customer FAAT occurs unless, otherwise directed by NGDS, to provide greater confidence the material will meet customer FAAT requirements. The FAAT **shall** be conducted in accordance with the requirements of all Specifications, Print, Quality Assurance Provisions, FAAT Plan, Technical Data Package or other documents as applicable. NGDS reserves the right to witness and/or perform surveillance by NGDS personnel, Government and/or NGDS customer representatives in support of this purchase order/contract, which will be communicated via the FAAT plan or this purchase order/contract. Notification for FAAT timing **shall** be submitted to Northrop Grumman at least 15 days before the planned start of the FAAT.
